

I have a list of most requested items! Here it is:

Disposable razors

Gum

Mints

Hard candy (no chocolate - depending on where they are, it might melt)

Eyeglass repair kits

Fingernail and toenail clippers

Small packs of AA batteries

Pop tarts

Small individual packs of cookies, corn nuts, trail mix, granola bars or other snacks.

Individually wrapped beef sticks or beef jerky

Instant oatmeal packs

14 oz. cans of stew or pasta (like spaghettios)

Small packs of baby wipes

Drink singles (powders) to add to water bottles (like Crystal Lite, etc.)

Everything must be small so that we get a good variety of items in each box.

Thanks for all your help! We very much appreciate it!
